INDEPENDENT AUDITOR'S REPORT

To the Members of Jharkhand Urja Sancharan Nigam Ltd. (J.U.S.N.L.)

Report on the Standalone Financial Statements

We were engaged to audit the accompanying standalone financial statements of Jharkhand Urja Sancharan Nigam Ltd. (JUSNL) ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

We do not express an opinion on the accompanying financial statements of the entity. Because of significance of matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating for ensuring accuracy and completeness of the accounting records relevant to the preparation and presentation of the

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with the Standards on Auditing under Section 143(10) of the Act.

We have considered the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statement. The procedures selected depend upon the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is significant and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

1. Restructuring Account pending adjustment, Note-05

- a. During the course of audit, it was found that an amount of Rs.210 Lacs relating to Share Allotment money was provided by its holding company, JUVNL, is appearing in the books of the account of the company. In idle situation, allotment shall be made and the rest amount, if any, be refunded. But, the preparer of the financial statement has shown the same under "Restructuring Account Pending Adjustment" under Equity amounting to Rs.200.07 lacs. The same has been in the financial statement since the formation of the company. As per the Companies Act, 2013, resolution shall be passed for allotment of shares after which the allotment of shares must be done within 60 days of receiving the application money and intimate the ROC of the aforesaid allotment in the Form PAS-3 within 30 days from the allotment of the shares with the Registrar of Companies. Also, where such is not done within 60 days then refund shall be made of such whole application money within next 15 days. Further, where such application money is not refunded within 15 days, then refund application money along with interest @12% p.a. after the expiry of 60 days and it shall be treated as a public deposit after the expiry of the said 15 days.

2. Borrowings, Note-06

State Government Loan under Secured Term Loans

- a. It was found that loans have been provided to the Company by the State Government at concessional rates which was lower than the market rate. This type of loan is classified as Non-Monetary Government Grant as per Ind AS 20. It is also pertinent to note that considering the requirements of Ind AS Schedule III, which sets out the minimum requirements for disclosure in the financial statements, it may

be appropriate that the grant may be presented as a separate line item under 'Revenue from Operations' and 'Other Income', and with adequate disclosures. Alternatively, it can also be deducted in reporting the related expense if the Company can relate it with specific expense in the statement of profit and loss.

- b. Borrowings, loans from State Government amounting to Rs.6566.17 crore have been shown as secured loans, whereas details of such security against these loans were not made available for audit.

Loan from World Bank

- a. During the course of audit, it was found that loan from World Bank were received by the company over the years. As on 31.03.2021 total outstanding pertaining to the above loan stands at Rs.72,091.00 lacs but details regarding utilization of such loan amount over the period was not provided.
- b. Also, the rate of interest at which interest is paid/payable on the outstanding loan over the period of the time was 2.5% i.e., mentioned in loan document but JUSNL has charged interest expense at 13% interest rate on such loan and 2.5% penal interest and the same has been booked in Profit & Loss account as a result of which the expenses in financial statement is overstated.
- c. No interest has been charged by the organization on such loan which has been received during the year F.Y. 2020-21. And loan received from World Bank during the F.Y.2017-18 & 2018-19 interest @ 13% and 2.5% penal interest has been charged on such loan. Due to the same current year interest expenses in Profit & loss account and interest payable in Balance sheet is overstated by Rs.9,360.96 lacs.

3. Provision for employee benefits, Notes-07

Staff Related Liabilities & Provision (Leave Encashment), Gratuity Reserve & Pension Reserve

- a. During the course of audit, it was found that provision of terminal benefit has been classified under Gratuity, Pension and Leave Encashment of staff. Such amount is lying with the Company since the period the provision for such liabilities were

created in the books of accounts. However, the amount against such provisions should have been transferred to Jharkhand State Electricity Employees Master Trust, herein after called JSEEMT. Further any payment of terminal benefits to retiring employees should be paid from such trust JSEEMT.

- b. Company should not have shown separately any outstanding liabilities of such terminal benefits except to the extent of the fund not transferred to JSEEMT. Whereas, balances are shown separately on account of staff terminal benefits in the books of account. It means that either no funds against the provision for staff terminal benefits were transferred to JSEEMT or there is no proper reconciliation for the liability against the terminal benefit to employees and the amount transferred to JSEEMT. As per the provisions of section 43B of the Income Tax Act, 1961 business deduction is allowed for any statutory deduction / provision created in the accounts against which the payment/transfer is made either before the end of the financial year or before the due date for filing of the Income Tax return u/s 139 (1) of the Income Tax Act, 1961. From the books of accounts and other disclosures in the financial statement it is not clear whether any funds against the provision for staff terminal benefit were transferred to JSEEMT or not, hence the business expenses (deductions) claimed in the books of accounts on account of provision for staff terminal benefits is not proper and shall not be allowed as expenses in the computation of total income for Income Tax purposes and accordingly there were loss to the company on account of disallowance of expenses due to non-payment of provision for staff terminal benefit to JSEEMT. It is the responsibility of the person dealing the corporate tax matters in the company and the person dealing with statutory liabilities that the required tax compliance matters on account of provision and payment of staff terminal benefits should be brought to the notice of the management and get it complied as per the statutory provisions of relevant act.
- c. The company has not provided the staff related terminal Benefit liabilities in the books of accounts (i.e., Gratuity, Leave Encashment and Pension) as per Actuarial

Valuation Report. Actuarial Valuation for employee benefits aims to calculate the present value of benefit payment that will be paid to an employee in future as part of the benefit plan. Company's obligation is to provide the agreed benefits to current and former employees and the actuarial and investment risk fall, in substance is on the employer (Company). Actuarial techniques allow an entity to measure that obligation with sufficient reliability to justify recognition of a liability.

- d. The company's staff related terminal benefit liability which is shown in Financial Statement does not include liability payable to employees of erstwhile J.S.E.B.

4. Government Grants, Note-08

During the course of audit, it has been found that balance pertaining as on 31.03.2021 in the account has Rs.16,040.09 lakhs, utilization for such grant was not provided.

As per the provision of **Ind AS-20** (Government Grant) in the financial statement the grant is to be recognized as deferred income in the profit or loss account on a systematic and rational basis over the useful life of the asset. Meaning thereby, the matching amount of grant in the proportion of the usage of asset (depreciable portion) over the useful life of asset is to be recognized in profit & loss account.

Ind AS 20 requires the following matters to be disclosed:

- a. Accounting policy adopted for grants, including methods of presentations adopted in the financial statements;
- b. Nature and extent of grants recognized in the financial statements;
- c. Other forms of government assistance from which the entity has directly benefited;
- d. Unfulfilled conditions and contingencies attaching to recognized grants.

5. Liability for Supply of Materials, Note-09

During the course of audit, individual Supplier's list or subsidiary ledger against which such amount is payable amounting to Rs.298.03 lakhs was not provided for verification.

The same pertains to Transmission Circle, Deoghar. Also, credit balance confirmation certificates from the Suppliers were not obtained and kept in record. The liabilities

against such Suppliers are not defined. The possibility that liabilities are likely to be overstated cannot be ruled out.

Further, there are huge outstanding balances under current liabilities against which there is no confirmation. As a result, it is difficult to ascertain the existence of such balances.

6. Liability for Capital Suppliers/Work, Note-09

During the course of audit, no list of details of supplier's have been found regarding name, date of supply, value of supply and outstanding amount. As a result of it, the outstanding liability is unidentified. It has been found that out of the total liability of Rs.4,841.20 lakhs, Rs.269.80 lakhs correspond to Transmission Circle, Ranchi and Rs.4564.18 lakhs correspond to Transmission Circle, Jamshedpur. The reason for such huge amount of assumed liability was not provided. Also, Company has not provided any confirmation letter regarding such outstanding liabilities.

7. Liability for O.M. Suppliers/Works, Note-09

During the course of audit, details of such liabilities have not been provided party wise regarding name, date of supply, value of supply and outstanding amount. Also, Company has not provided any confirmation letter regarding such outstanding liabilities due to which liabilities may be overstated. It has been found that out of the total liability of Rs.2,734.49 lakhs, Rs.218.00 lakhs correspond to Transmission Zone, Dumka, Rs.95.37 lakhs correspond to Transmission Circle, Deoghar, Rs.91.20 lakhs correspond to Transmission Circle, Ranchi and Rs.2329.92 lakhs correspond to Transmission Circle, Jamshedpur.

8. Deposits and Retention from Suppliers/ Contractors, Note-10

During the course of audit, we have not found complete details of amount retained and deposits Supplier/ Contractor wise. In the absence of such record, it is difficult to establish the due amounts/ liability to such Suppliers/ Contractors and also the mechanism to refund such amount at the due date could not be found. As a result of this, such "unidentified liabilities" have been shown under current liabilities whereas

in the absence of proper classification there may be Supplier/ Contractor to whom payment may be due after 12 months in which case such "unidentified liabilities" would be non-current liabilities.

9. Security Deposit from Contractors, Note-10

During the course of audit, we have not found complete details of security deposit Supplier/ Contractor wise. As per the record provided to us for verification only deposits pertaining to the current financial years have been provided. In the absence of such record, it is difficult to establish the due amounts/ liability to such Suppliers/ Contractors and also the mechanism to refund such amount at the due date could not be found.

10. Keep Back deposit, Note-10

During the course of audit, we have not found complete details of keep back deposit Supplier/ Contractor wise. As per the record provided to us for verification only deposits pertaining to the current financial years have been provided. In the absence of such record, it is difficult to establish the due amounts/ liability to such Suppliers/ Contractors and also the mechanism to refund such amount at the due date could not be found.

11. Penalty Keep Back/Contractors, Note-10

During the course of audit, it has been found that penalty money is charged if there is delay in provision of services by Suppliers/ Contractors. Such amount is charged at the time of making payment against such bill. The Company is classifying such amount as liability whereas the same should be treated as Income. The amount of the account under the liability has been shown of Rs.6,809.36 lakhs. As a result of wrong classification the liability is overstated and the income is understated.

12. Liabilities for Establishment, Note-10

During the course of audit, we have not found complete ledger details/list of such head of account that to whom and which party have right to receive such amount. In absence of the consolidated list of verifiable outstanding balance as per the subsidiary ledger

which was required to be prepared by the auditee to be provided during the course of audit, the possibility of overstatement of liabilities may not be ruled out.

13. O.S. Liabilities for 7th PRC arrear, Note-10

During the course of audit, no details regarding the outstanding liabilities against such arrear were provided and the basis of which the same was provided into the books of accounts is not ascertainable in the absence of such record. Therefore, we are unable to comment upon the same. Out of the total liability of Rs.51.09 lakhs, Rs.50.99 lakhs correspond to Transmission Circle, Jamshedpur.

14. Indirect Tax payable, Note-11

During the course of audit, it was found that an amount of Rs.386.37 lakhs has been shown as credit balance under Trial Balance in the name of Sales Tax. There is a huge amount of unsettled statutory liability shown in the books of account of the company. We have not been provided the details of such liability with corresponding assessment years to which such amount relates. Proper provision should be made with respect to the likeliness of such liability arising on account of finalization of assessment or tax demand.

15. Other Deposits, Note-11

During the course of audit, we have not received the details of such deposits being related to which bill against which such amount has been deducted. Further, there was no transaction in the account during the year, but still it has been shown under current liabilities. The company has to take appropriate action regarding writing off of untraceable amount to be paid. The total amount of deposit amounting to Rs.79.63 lakhs correspond to Transmission Circle, Deoghar.

16. Fund Received from Master Trust (G.P.F), Note-11

During the course of audit, it was found that there was no reconciliation statement prepared. There should be transfer of provision of staff terminal benefits to the Master Trust and amount received from master trust against the payment made to staff for terminal benefit but the same has been not followed.

17. I.C.T. (JUVNL), Note-11

During the course of audit, reconciliation statement was not provided and balances outstanding in the account are subject to confirmation. Therefore, we are unable to comment upon the same.

18. I.C.T. (JBVNL & JUUNL), Note-11

During the course of audit, reconciliation statement was not provided and balances outstanding in the account are subject to confirmation. Therefore, we are unable to comment upon the same.

19. J.S.E.B. Reconstruction Account, Note-11

The credit balance of Rs.18,199.45 lakhs has been shown in the account from the beginning of the incorporation of the Company and the liability regarding such amount is not identified. Management should take appropriate action to write-off such overstated liabilities.

20. GPF Board, EPF Board, E.S.I., CPF, Note-11

During the course of audit, we have not received the subsidiary ledger details of such fund.

21. Provision for employee benefits, Note-12

- a. Interest on security deposit (Staff)
- b. Interest on GPF
- c. Interest on Group Saving Scheme

During the course of audit, we have not received interest calculation for such account.

Depreciation, Note-13

- a. The net block of PPE as on 31.03.2021 is Rs.4031.46 Crore. The above figure does not include an interest on State Government loan amounting to Rs.501.43 crore. State Government had provided loan for capital creation, so interest and finance charges should have been added to CWIP as these projects are not completed. Instead of adding interest on State Government loan in the CWIP, company has accounted it as its current year expense. Thus wrong accounting of interest on State Government loan has resulted in understatement in CWIP and over statement of expenses with corresponding overstatement of current year loss by Rs.501.43 crores.
- b. The Company has not maintained any fixed assets register and has shown the Land and other fixed assets without proper marking or identification or value of each asset.
- c. Physical verification of fixed assets and review of Impairment thereof was not carried out since inception and hence we are unable to comment on compliance of Ind AS 36 i.e., **Impairment of Assets**.
- d. The title deeds of immovable properties status details and related register are not made available for our verification.
- e. Land & Land Rights has not been segregated into freehold and leasehold which is a violation of both Ind AS 17 and Ind AS 16 i.e., **Leases and PPE** respectively.
- f. Project wise / work order wise details of CWIP including allocable interest and finance charges was not made available for audit to ensure timely capitalization of project and charging of depreciation thereon which is a violation of Ind AS 16. Physical verification was not conducted by the Company since inception hence we are unable to comment upon the status of CWIP.

- g. The Company has not capitalized the due interest, inaugural expenses, applicable employee cost on Fixed Assets on timely basis, which is violation of Ind AS 16.
- h. The above includes amount of depreciation on the assets put to use i.e., completed/commissioned during the previous years. But Management failed to capitalize the assets during the year in which they were completed/commissioned. Non capitalization of the same in the year in which they were completed/commissioned and charging depreciation for the same in 2020-21 has resulted in overstatement of Depreciation and Amortization expenses as well as Loss during the year.
- i. Details of CWIP capitalized during the year have not been provided and also there should be mentioned date of completion and date of capitalization.
- j. The provisions of GST Act could not be verified because of non-availability of details relating to the purchase of such Fixed Assets during the period of audit

23. Advance to Income Tax, Note-14

- (i) During the course of audit, it has been found that the amount shown under the head relates to TDS deducted by J.B.V.N.L. and other TDS but we were not provided the details/adjustment of such amount. On the face of the deliberations made by the management, it cannot be ignored that there may be other outstanding orders against the Company for erstwhile assessment years which could not be verified due to non-availability of such records relating to notices, reply made against such order, amount of demand ascertained by the department, payment (if any) made against such order and where such payment made, the status of the same. If the demand is determined as a result of any default on the part of the company, the reason for the same and the authority who is in default is required to be determined. From the Intimation u/s 154 for the A.Y. 2019, it is evident that the company had filed its Return of Income

claiming business loss of Rs.2,10,60,14,420/- but the IT department assessed Business Income as Rs.55,77,89,851/- and disallowed the business loss. As a result of it, the Tax with interest is determined for Rs.34,28,68,156/-. The IT department adjusted the TDS claimed by the assessee of Rs.3,08,97,010/-. Further, in such intimation notice, interest u/s 234A, 234B & 234C was also charged by IT department amounting to Rs.7,20,93,280/-. It is a quantifiable loss to the institution and further the loss is also not allowed to be carried forwarded to be adjusted against any future income. The due date for filing of the ITR was 30-09-2019 whereas the ITR was filed on 09-04-2020 because of which the carry forward of loss was disallowed by the IT department and also penalty u/s 271B was also charged. It needs to be mentioned here that the return of income pertaining to A.Y. 2018-19 was also filed after the due date and only on furnishing of Notice u/s 148 by the Income Tax department because of which it might be a possibility that disallowance of carried forward losses of A.Y. 2018-19 was done by the Income Tax department. It has also been found that the management has made provisions relating to expenses but the same has not been paid as on 31.03.2021. As a result of this, Section 43B of the Income Tax Act will get attracted which provides that expenses can be claimed as deduction from the business income only in the year of actual payment and merely because provision of the same was provided in the books of accounts. Section 271 of the Income Tax Act deals with penalties for the concealment of particulars of income or furnishing of inaccurate particulars of income.

List of pending appeal and demands are as follow:

Sl. No.	A.Y.	Order no.	Section under which order passed	Date	Amount
1.	2016-17	ITBA/AST/S/143(3)/2018-19/1014538073(1)	143 (3)	24.12.2018	[Carry forward of Loss Disallowed: Rs 97,23,50,289/-]
2.	2017-18	ITBA/AST/S/143(3)/2019-20/1020841535(1)	143 (3)	21.11.2019	Disallowed: Carry forward of loss of Rs.122,04,26,668/-
3.	2017-18	ITBA/PNL/F/270A/2021-22/1035572204(1)	270A	27.09.2021	Penalty: Rs.84,47,30,522
4.	2017-18	ITBA/PNL/F/271B/2021-22/1034731735(1)	271B	09.08.2021	Amount of Penalty of Rs.1,50,000/-
5.	2018-19	ITBA/AST/S/147/2021-22/1036079035(1)	147	30.09.2021	Disallowance: Carry forward of loss of Rs. 3,58,26,74,360/-
6.	2019-20	CPC/1920/U62012731593	147	04.12.2020	Demand of Rs.31,19,71,150/-
7.	2019	2020201937021803042C	154	04.12.2020	Demand of Rs31,19,69,050/- and Interest thereon Rs.3,74,36,412/-
8.	2017	2021201740405690320C	271B	09.08.2021	Rs.4,500/-
9.	2017	2021201740406161254C	270A	14.09.2021	Demand of Rs.84,21,89,977/- and Interest thereon Rs.2,53,16,532/-

(11) During F.Y. 2020-21 various agencies has deducted TDS amounting to Rs.1,29,95,133/- (as per form 26AS) but as per the financial statement the company has taken Rs.2,20,91,002/- as advance tax/TDS. Thus there is an overstatement of advance tax/TDS amounting to Rs.90,95,869/- in the financial statement.

24. Capital Advances-Secured, considered good, Note-15

During the course of audit, it has been found that closing balance has been shown as on 31.03.2021 of Rs.37,497.28 lakhs, party wise ledger details was not made available for verification of the advances. There was no segregation of such amount relating to the project to which such amount relates to. Also, on scrutiny it was found that there are outstanding advances against projects which have been shown as completed as per the management. There is no ageing of such advance. Also, no confirmation certificates were provided against such Advances.

As per Ind AS 113 (Fair Value Measurement), Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same- to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (i.e. an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

When a price for an identical asset or liability is not observable, an entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a

result, an entity's intention to hold an asset or to settle or otherwise fulfil a liability is not relevant when measuring fair value.

The definition of fair value focuses on assets and liabilities because they are a primary subject of accounting measurement. In addition, this Ind AS shall be applied to an entity's own equity instruments measured at fair value.

As per the above, entity should recognize assets after interest component against the capital advances and such interest component is recognized income during the year. The interest charged on such advance is a kind of supply of services and it attracts provisions of GST Act. CGST & SGST @9% each should have been collected with a valid invoice as per the act and the amount thus collected should have been deposited and GSTR was supposed to be filled accordingly. Strict penal consequences are applicable for non-compliances to the provisions of the GST Act. However, there was no such compliance to the provisions of GST in the interest earned on the advance against capital assets and to suppliers and thus there exists liability on the company in this regard. However, such liability is not disclosed in the financial statement.

25. Advance to Suppliers, Note-15

During the course of audit, it has been found that closing balance has been shown as on 31.03.2021 of Rs.50,742.62 lakhs, party wise ledger details was not made available for verification the regarding the advances for erstwhile years. We were provided with the details for the current financial year only. There was no segregation of such amount relating to the project to which such amount relates to. Also, on scrutiny it was found that there are outstanding advances against projects which have been shown as completed as per the management. There is no ageing of such advance. Also, no confirmation certificates were provided against such Advances. As per the provision of Ind AS 113 (Fair Value Measurement), entity should be recognized assets after Interest component and such interest component should be recognized income during the period of such assets.

The interest charged on such advance is a kind of supply of services and it attracts provisions of GST Act. CGST & SGST @9% each should have been collected with a valid invoice as per the act and the amount thus collected should have been deposited and GSTR was supposed to be filled accordingly. However, there was no such compliance to the provisions of GST in the interest earned on the advance against capital assets and to suppliers and thus there exists liability on the company in this regard. However, such liability is not disclosed in the financial statement.

26. Raw Materials and components, Note-16

a. Stock of Materials at construction Stock (Capital)

b. Stock of Materials at other site Stock (O&M)

During the course of audit, it has been found that the Company has not valued its inventory item wise and also not obtained its net realizable value which is not in accordance with the Accounting Policy (Para 9 II) of Company and Ind AS 2 i.e., Inventories. Further, company has not identified its inventory as non-moving and obsolete items and hence we are unable to comment upon provision required, if any.

Further, there are also other non-compliances namely: Stock audit and Physical Verification has not been done, Perceptual Inventory system has not been followed, Minimum, Maximum level and reorder level has not been maintained, Provision regarding slow moving, non-moving and obsolete item has not been done.

The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Further, the costs of purchase of inventories comprise the purchase price, import duties and other taxes (other than those subsequently recoverable by the entity from the taxing authorities), and transport, handling and other costs directly attributable to the acquisition of finished goods, materials and services. Trade discounts, rebates and other similar items are deducted in determining the costs of purchase.

27. We were appointed as auditors of the Company after March 31, 2020 and thus could not observe the counting of physical inventories at the beginning and end of the year. Accordingly, we were unable to satisfy ourselves by alternative means concerning the inventory quantities held at March 31, 2020 and March 31, 2021 which are stated in the Balance Sheet at Rs.4,955.89 Lakhs and Rs.4,293.10 Lakhs, respectively.

28. Trade Receivables, Note-17

a. There is no proper mechanism to reconcile the payments received by JUSNL from JBVNL on the bills raised. Payments are received and the same is shown on lump sum basis. It is very difficult to ascertain as to which bill stands adjusted and which bill is outstanding and by what amount. Also, there seems to be dispute with regards to the bill raised by JUSNL over JBVNL which needs consideration and if necessary proper provisions are required to be made against such disputed amount. Also, the company is showing such amount which is raised as per the invoice as "Sale from Operation". Due to this, the statement of Profit & Loss account is overstated each year due to such treatment of invoiced bill but not received as Revenue.

b. An entity shall classify an asset as current when:

(i) It expects to realize the asset, or intends to sell or consume it, in its normal operating cycle;

(ii) it holds the asset primarily for the purpose of trading;

(iii) it expects to realize the asset within twelve months after the reporting period; or

(iv) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

As per the above clarification entity has not segregate current and non-current assets. Therefore, the company has violated the provision of Ind AS 1 Presentation of Financial Statements for classification of current and non-current assets.

29. Cash and Cash Equivalents, Note-18

- (i) During the course of audit, it was found that a bank account of the Company with BOI, Ranchi Branch A/c no. 490220100200014 appearing in the books of accounts of JUSNL is in name of Jharkhand Bijli Vitran Nigam Ltd. (JBVNL) as on 31.03.2021. Also, Bank Balance includes balances lying with Personal Ledger Account (PLA Treasury Account) for which external confirmation or certificate was not obtained and the same is subject to reconciliation. It was also found that an amount of Rs.1,35,08,984/- has been shown as receipt from JSEEMT but the same was not found to have been credited in bank and the date of such amount was also not available.
- (ii) The amount of cash and cash equivalent shall include the FD with a remaining maturity period of three months or less. Since the statement showing the maturity pattern of FD is not provided, therefore we are unable to comment on the same.

30. Imprest Cash and TWC Cash and Adjustment, Note-18

The balance has been shown under the account subject to confirmation/reconciliation.

31. Pension Payable, Note-20

During the course of audit, it has been found that Employee Terminal Benefit, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

32. Gratuity Payable, Note-20

During the course of audit, it has been found that Gratuity payable, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of

accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

33. Group Saving Scheme Payable, Note-20

During the course of audit, it has been found that Group Saving Scheme Payable, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

34. GPF Payable, Note-20

During the course of audit, it has been found that GPF payable, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

35. Leave Encashment Payable, Note-20

During the course of audit, it has been found that Leave Encashment Payable, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

36. CPF Payable, Note-20

During the course of audit, it has been found that CPF payable, which is Liability by nature, has been shown in the assets side of the company. This debit balance has been shown due the excess payment over the provision made against such account. This shows that the Company has understated expenses. Therefore, the company books of

accounts are in violation the provision of Ind AS-1 Presentation of Financial Statements.

37. Income Tax (Staff), Note-20

During the course of audit, it has been found that company has shown debit balance while in idle situation last month TDS deducted on Staff salary should be payable and shown credit balance. The Company has not made available details to us to regarding the month in which such excess Income Tax has been paid.

38. Remittances from H.Q., Note-20

During the course of audit, we have not received reconciliation statement relating to the remittances from JUVNL.

39. B.O.C.C.W. & W.C.T., Note-20

This account is liability by nature but the company has shown debit balance which shows that excess deposit has been made to department in respect to such account. It is pertinent to note here that there exist many such accounts which have been paid in excess over the liability whereas there also exists statutory liabilities which have not been discharged on timely basis because of which demands, fines and penalties have been imposed on the Company. This is gross negligence on the part of the management and shows no empathy over proper utilization over public money.

40. Supervision Charge, Note-22

During the course of audit, it was found that for Supervision charges amounting to Rs.23,74,040/- of M/s Adani Power Ltd. No GST on such charges was found to have been made. Further, Rs.29,90,187/- has been incurred in Transmission Zone, Ranchi as Supervision Charges, details of which was not provided for verification.

41. Interest on Advances to Suppliers/ Contractors, Note-22

During the course of audit, it was found that the Company charges interest on Advances to Suppliers/ Contractors where there is delay in completion of work within the time stipulated. We have not received calculation as to at which rate such interest has been charged and on which advance amount such interest is calculated by the company which we

are unable to comment upon the same. Further, such Interest on the fund received from loan and further extended to supplier as advance is to be adjusted against the assets and not to be charged to revenue as per Ind AS 23, "Borrowing Cost". The company has not applied Ind AS for calculation of Interest as per Fair and Market Value.

42. Interest from Bank (Flexi deposit),

During the course of audit, we have been provided with the details regarding interest shown as Income from Flexi Deposit which in certain cases did not match with the bank statement which means that there might be possibility of interest income which has not been recorded in the books of accounts.

43. Finance Cost, Note-24

During the course of audit, it has been found that maximum amount of State Government loan has been utilized for CWIP while interest cost of such loan has to be capitalized as per the provision of Ind AS 23 Borrowing Cost. Therefore, company has violated the respective Ind AS. Further, during the audit, we were not provided details of calculation of such interest.

44. Other Expenses, Note-25

- a. Telephone Charges, Postage, Telegram & Telex charges has increased considerably from Rs.19.53 lakhs in 2019-20 to Rs.108.75 lakhs in 2020-21 which is very high. The same has significantly increased particularly in SLDC/ULDC by Rs.94,89,027/-.
- b. During the year, miscellaneous expenses incurred amounts to Rs.581.88 lakhs while in last financial year it was Rs.362.61 lakhs. Out of the above Rs.581.88 lakhs, as per the Trial Balance provided for verification Rs.31.11 lakhs were incurred for expenses, details of which was not available to comment upon.
- c. During the course of audit, it was found that neither payment nor provision for the month of February for Home guard expenses was found to have been made in the books of accounts. Thus the expenses is understated.

45. The company's books of accounts are in violation or non- fulfillment of the provisions of Ind AS 1 (Presentation of Financial Statement) because the items should be categorically be segregated under current and non-current, whereas it has been found that due to non-maintenance of proper ledger items which was needed to be classified under Current has been shown under non-Current. This distinction is important because it helps financial statement users assess the timing of the transactions. Also, it was found that no ageing schedule has been prepared with respect to Trade Receivables, Trade Payables, Capital Work-in-Progress. Further, no details of pending court cases under various authorities were provided for verification so as to ascertain the contingent liability disclosure.
46. The company has not complied with the provision of Ind AS 2 (Inventories) on valuation of Stocks of the company.
47. The company has violated the provision of Ind AS 12 (Income Taxes), the company has not recognized of deferred tax liabilities or deferred tax assets as per the provision of Ind AS 12. The objective of this standard is to prescribe the accounting treatment for income taxes. If it is probable that the settlement of the carrying amount will result in a variance of tax amount which should then be recognised as deferred tax. Also, Events and transactions that are recognised in the current period. As per this standard, an entity must account for tax consequences in the same way as it accounts for the transactions and other events. Therefore, if the transaction and other events are recognised in profit and loss, then the related tax consequences should also be recognised in profit and loss. If the transaction and event is recognised outside profit and loss that is in other comprehensive income or directly in equity, then the tax consequence will also be recognised outside the profit and loss that is in other comprehensive income or directly in equity.
48. The company has not complied completely the provision of Ind AS 19 (Employee Benefits) which requires recognition of the liability by an entity when an employee provides services for employee benefits to be paid in the future, and recognition of

expenses when the entity utilises the economic benefit arising from service given by an employee in exchange for employee benefits.

49. The company has not applied the provision of Ind AS 23 (Borrowing Cost).
50. The company has not applied the provision of Ind AS 36 (Impairment of Assets)
51. The company has not applied the provision of Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) which ensures that appropriate recognition criteria and measurement bases are applied to provisions, contingent liabilities and contingent assets and that sufficient information is disclosed in the notes to enable users to understand their nature, timing and amount.
52. The company has not applied the provision of Ind AS 114 (Regulatory Deferral Accounts). The objective of this Standard is to specify the financial reporting requirements for regulatory deferral account balances that arise when an entity provides goods or services to customers at a price or rate that is subject to rate regulation.
53. The Company has not applied the provision of Ind AS 113 (Fair Value Measurement).
54. An amount of **Rs.300 cr.** has been received from State Government as on **06.02.2019** vide letter no. 03/U. (Y.)32/16 214 of Energy Deptt., GoJ which stated that out of total projected amount, 30% will be received from State Government as Equity Share. This means that the State share so received should have been considered as subscription to the share capital as per the MOU/Finance Agreement. The amount received from State Government shall appear as "Share Application money pending allotment" of shares. However, such amount received has been treated as loan from state government in the Financial Statement. Further, no interest is provided in the amount shown as received from State Government.
55. Payments have been made to Home guard & Pvt Security Guard amounting to Rs.5,23,59,287/- as per the Trial Balance provided by H.O. Such payment for security services received attracts GST as per the Act. As per the Act, reverse charge mechanism (RCM) was notified for the purposes of payment under RCM w.e.f. 1st January 2019 vide Notification No. 29/2018- Central Tax (Rate) dated 31-12-2018. The term

'security services' as per the RCM notification means "services provided by way of supply of security personnel ". Security Services are taxable at a **GST rate of 18%**. Thus, in the case of intra-State supply, CGST @ 9% and SGST @ 9% will be applicable. On other hand, IGST @ 18% will be applicable on inter-State supplies. According to provisions of section 13(3), the time of supply for purposes of payment of tax under RCM would be the earliest of:

- a. the date of payment, or
- b. the date immediately after 60 days from the date of issue of invoice by the supplier

If it is not possible to determine the time of supply under (a) or (b), the time of supply shall be the date of entry in the books of account of the recipient.

56. MSME-1 filing: - During the course of audit, it was found that the compliance for MSME payment was not in order. Specified companies should file Form MSME-1 when payments are due to MSME for more than 45 days from the date of acceptance of the services or goods, along with the reason for its delay. When there is a delay in payment by the companies, they must mention the reason for such delay in their statement of accounts. Section 15 of the MSMED Act states that where the suppliers render services or supply goods to any buyer, the buyers should make payment on or before the agreed date between them and the suppliers. When there is no agreed date for payment between the MSME supplier and buyer, the buyer must make payment before the appointed date. The appointed date means fifteen days from the date of acceptance. The MSME-1 is a half-yearly return that the specified companies need to file regarding their outstanding payments to the MSME. Non-compliance with filing MSME-1 by the specified companies will attract a penalty under Section 405(4) of the Companies Act, 2013. As per Section 405(4), if any company fails to file MSME-1, the company and every officer in default will be liable to a penalty of Rs.20,000. In case of continuing failure, the company and every officer in default will be liable for a further

penalty of Rs.1,000 for each day the failure continues, subject to a maximum of Rs.3 lakh.

57. During the course of audit, it was found that the Company was not complying the provisions of Ind AS 108, "Segment Reporting", which states that an entity shall disclose information to enable users of its financial statements to evaluate the nature and financial effects of the business activities in which it engages and the economic environments in which it operates. A separate segment manager shall be appointed who would be directly accountable to and maintains regular contact with the chief operating decision maker to discuss operating activities, financial results, forecasts, or plans for the segment.
58. As per Ind AS 16, the amount of depreciation should be allocated based on useful life of asset which needs to be reviewed at each balance sheet date. Therefore, as per this theory, JUSNL should have assessed the useful life of asset at the time of adoption of Ind AS which was not done and no proper disclosure was given by the Company in its financial statements.
59. During the course of audit, it was found that the Company has not made proper disclosures with respect to credit, liquidity and market risk. Credit Risk is the risk of non-payment or non-performance of financial assets. Liquidity risk is the risk that an entity will encounter difficulties in meeting obligations arising from financial liabilities that are settled by delivering cash or another financial asset. Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. There is often limited transparency for users regarding these risk exposures and how they are managed by reporting entities.
60. As per the Financial Statements of the Company over past couple of years, it has been observed that it has been consistently incurring losses and has pending lawsuits against the Company. The business plan of the Company needs to be reanalyzed regarding the Company's ability to make enough money to stay afloat. The Companies Act, 2013 along with Standards of Auditing 570, requires disclosures of uncertainty about an

entity's ability to continue as a Going Concern. Substantial doubt about an entity's ability to continue as a going concern exists when conditions and events, considered in the aggregate, indicate that it is probable that the entity will be unable to meet its obligations as they become due within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable). An evaluation is required every reporting period, including interim periods along with an explicit statement in the footnotes that there is substantial doubt and other disclosures when substantial doubt is not alleviated.

61. During the course of audit, no list of Bank Guarantees invoked, funded or any corresponding adjustments were furnished to us for verification. Generally, the bank guarantees are effective throughout till the amount of advance has been fully recovered from the contractor against which the bank guarantee was tendered to such contractor. The register of bank guarantee was not made available to be reviewed.
62. It has also been found that there exist liabilities of prior period which have been paid in current financial years. Further, there also exist liabilities of current financial years which have been deferred to subsequent years. Details as per Annexure- 1 & 2.
63. Temporary/TA Advance of Transmission Circles, not adjusted since long. Details are as follows:

Name of the unit	Name	Designation	Period	Amount (in `)
Jamshedpur	Raju Mahtha	AEE	2013-14	55000
	Ram Naumi Prasad	EEE	2013-14	22000
	Upendra Ravidas	ASK	2013-14	4000
	Rakesh Kr. Srivastav	AEE	2014-15	60000
	Umesh Prasad Manjhi	EEE	2014-15	2600

Dumka	KBN Singh	ESE	2014-15	60000
	Uday Kant Nirala	JEE	2014-15	30000
	S.N. Nirala	AEE	2013-14	40000
	Total			2,73,600

64. Disclosure for Revenue Gap (As per last audit report):

An amount of Rs.119.88 Crore (102.71+97.17) approved by JSERC in the True-up for the financial year 2015-16 & 2016-17 has not been considered in the accounts. As the order for True-up was given in December 2020, hence suitable disclosure should be made in the accounts. This fact was also noted in the independent auditors report for the F.Y. 2019-2020. In the compliance to the audit report for 2019-2020 it was reported by the company that the compliance will be made in the F.Y. 2021-2022, therefore keeping the same in mind this observation is once again re-iterated in the independent audit report for the F.Y. 2020-2021.

65. Internal Control and Audit

- a. There is no effective internal control, due to absence of full computerized operation and effective internal audit. This may result in increased bureaucracy, reduced productivity, increased complexity, increased time to process transactions, and increased non-value activities. Without internal controls, a business operates inefficiently, in an unreliable manner and out of compliance with applicable laws and regulations. Effective internal controls reduce the risk of loss and help ensure that financial statements are reliable. In an ideal situation, internal control creates an environment that allows a business to live out its mission and achieve strategic goals and objectives. The quality of individual controls and how well employees adhere to control rules, policies and procedures can affect a business in a positive or negative manner. In accordance with Section 138 (1) of the Companies Act,

2013, an internal auditor shall be appointed as may be decided by the Board to conduct internal audit of the functions and activities of the company. During the course of audit, no Internal Audit report was found which shows ineffective and delayed internal audit and lack of transparency.

- b. The company follows system of manual accounting wherein casting, posting, etc. is not automated as well as yearly subsidiary ledger has not been prepared. A subsidiary ledger provides the details that make up the balance of specific general ledger accounts. Since, general ledger accounts only provide an ending balance for each particular account; a subsidiary ledger is used to provide the details that result in that general ledger balance.

Summary

1. The company has not applied the provision of Ind AS 23 (Borrowing Cost).
2. The company has not applied the provision of Ind AS 36 (Impairment of Assets)
3. The company has not applied the provision of Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) which ensures that appropriate recognition criteria and measurement bases are applied to provisions, contingent liabilities and contingent assets and that sufficient information is disclosed in the notes to enable users to understand their nature, timing and amount.
4. The Company has not applied the provision of Ind AS 113 (Fair Value Measurement).
5. The company has not applied the provision of Ind AS 108 (Operating Segments).
6. During the course of audit, no list of Bank Guarantees invoked, funded or any corresponding adjustments were furnished to us for verification.
7. During the course of audit, it was found that the Company has not made proper disclosures with respect to credit, liquidity and market risk.
8. The company has violated the provision of Ind AS 12 (Income Taxes), the company has not recognized of deferred tax liabilities or deferred tax assets as per the provision of Ind AS 12.

9. The company's books of accounts are in violation or non- fulfillment of the provisions of Ind AS 1 (Presentation of Financial Statement).

10. The company has not complied with the provision of Ind AS 2 (Inventories) on valuation of Stocks of the company.

Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matters

I. Related Party Transaction and Disclosure

- a. The company has not disclosed the requisite/sufficient detail of Inter Company and Key Managerial Person (KMP) transactions in the Financial Statement as per requirement of schedule-III of the Companies Act, 2013 and Ind AS-24 "Related Party Disclosure".
- b. In absence of proper information, we are unable to comment, whether all the transactions with the related parties are in compliance with section 188 of the Companies Act, 2013.

II. Compliance to MSME Act, 2006

Dues as well as Interest payable under the MSME Act, 2006 have not been provided or disclosed by the company in Financial Statements.

III. Contingent Liability and Commitments

- a. The company has not provided us the detailed information of disputed matter and hence we are unable to comment upon the same and Contingent Liability is affected accordingly.
- b. There is no methodology in the company to identify and disclose letter of credit issued, Bank Guarantee, claims, pending court cases, arbitration and legal cases, if

any, which is not in accordance with the Ind AS-37 "Provision, Contingent Liabilities and Contingent Assets".

IV. Maintenance of Proper Books of Accounts

In our opinion, the company had not maintained books of accounts fully on accrual basis as required under section 128 of the companies Act, 2013.

V. Going Concern Concept

During the course of audit, it was found that the Company's total revenue from operations amounted to Rs.229.58 crores whereas the total interest cost on the loan provided to the company for its operations amounted to Rs.503.25 crores. Standards of Auditing 570, requires disclosures of uncertainties about an entity's ability to continue as a Going Concern. Substantial doubt about an entity's ability to continue as a going concern exists when conditions and events, considered in the aggregate, indicate that it is probable that the entity will be unable to meet its obligations as they become due within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable). In above case, there is substantial doubt that the company will not be able to repay its debts constituting the interest and principal loan amount granted by the State Government. The business plan of the company seems to be in turmoil. It needs to be analysed as to where did the project report based on which the loan was granted went wrong. Given the financial condition of the company rather than taking loan it would have been beneficial for the company had it funded its operations in the form of equity.

VI. Internal Audit

Internal Audit acts as an MIS to any organization. Internal audit can play a vital role in improving the performance of a company. Internal auditors **assist companies in identifying key risk factors**. This enables the company to anticipate potential future concerns as well as identifying current weaknesses. Any suggestions highlighted in

such internal audit reports should go to management for compliance and improvement in various respective fields by filling up the operational and financial loopholes, revenue leakages should be covered up, no statutory defaults. It has been found that the Interest paid on Loans given as aid has been charged as revenue expenditure rather than capital expenditure. This has led to inflated expenses and improper reporting of revenue to the Income Tax.

VII. Non-compliance of irregularities highlighted in Statutory Audit Reports

It has also been found that in the erstwhile Statutory Audit reports of the Company, auditors appointed by the C&AG had posed significant doubts over the preparation of the financial statements of the company not in compliance to the statutory requirements. The erstwhile Statutory Audit reports had serious observations like for example; books not in conformance with the financial statements, subsidiary ledger not maintained properly, interest wrongly debited in the Statement of Profit & Loss rather than capitalizing the same, delay in furnishing the return of income because of which inability to carry forward the loss of the company in subsequent years return of income, consistent losses since incorporation, lack of financial discipline, non-remittance to JSEEMT and improper reporting in the books of accounts of the company. This shows gross negligence on the part of the company. The above lists of non-compliances are inclusive and not exhaustive.

VIII. Other Observations:

- a. Party wise ledger/ confirmation of trade payable, trade receivable, keep back deposit, Security deposit, Advance to suppliers, Staff Advance, Temporary Advance is not provided to us and in absence of adequate internal control, ineffective and delayed internal Audit, lack of transparency through computerization in financial/operational fields pending for years, raised concern on the authenticity of the said accounts.

Further the above head are also not properly classified as Non-Current and Current Assets/Liabilities, which is not in accordance with the Schedule III of Ind AS and Ind AS 1 "Presentation of Financial Statements".

- b. Deferred Tax Assets or Liabilities have neither been created nor disclosed by the company in terms of Ind AS-12 "Income Taxes".
- c. The System of identification of expenses or Income for Prior Period and Accounting thereof is not in practice as per Ind AS-8 "Accounting Policies, Changes in accounting Estimates and Errors.
- d. According to the information and explanation provided to us, the company has not yet received the details of assets and liabilities of State Load Dispatch Centre (SLDC) separately from JSEB and accordingly not yet bifurcated the same in accounts.
- e. Secretarial Audit Report for the year not made available for our verification.
- f. Payment for acquisition of Land released from the state fund and is classified as ineligible expenses in Annexure-A. Details of the Land related documents for valuation of Land of Rs.2,78,31,359/- i.e., Land Deed etc. not on record at JUSNL HO.
- g. It has been observed that, mobilization payment is treated as expenses in IUFR and capitalized in CWIP. As per prudent accounting principle it should have been shown as advance and only the adjusted amount from the advance should be treated as expenses.

Other Information-Board of Director's Report

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as ("Board Report")) which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the Ind AS Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Ind AS Standalone Financial Statements, does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Standalone Financial Statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the Ind AS Standalone Financial Statement or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

In absence of availability of board report, we are unable to comment upon the material misstatement in the Board Report.

Management's Responsibility for the Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS Financial Statements that give true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

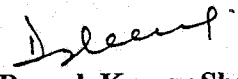

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our responsibility is to conduct an audit of the entity's financial statements in accordance with Standards on Auditing and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the entity in accordance with the ethical requirements in accordance with the requirements of the Code of Ethics issued by ICAI and the ethical requirements as prescribed under the laws and regulations applicable to the entity.

Report on Other Legal and Regulatory Requirements

- i. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the order.

“Annexure C” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Jharkhand Urja Sancharan Nigam Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **JHARKHAND URJA SANCHARAN NIGAM LIMITED, Ranchi** (“The Company”) as of March 31, 2021 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of

Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence amounting the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Disclaimer Opinion

According to the information and explanations given to us and based on our audit the following material weaknesses as per basis of disclaimer of opinion has been identified in the Company's internal financial control over financial reporting as at 31st March, 2021.

- a) The Company did not have an appropriate internal control system over accounting and properly recording of the transactions.
- b) The Company did not have an appropriate internal control system for inventory with regard to receipts, issue, physical verification & valuation. These could potentially result in material misstatement in the Company's trade payable, consumption, inventory and expense account balances.
- c) The Company did not have an appropriate internal control system to review and monitor the Fixed Assets and Capital work in Progress.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statement will not be prevented or detected on a timely basis.

In our opinion, because of the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has not maintained adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were not operating effectively as of March 31, 2021, based on internal control over financial reporting criteria established by Company considering the essential components of internal control

stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

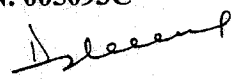

Disclaimer of Opinion

We have considered the disclaimer aspects above in determining the nature, timing, and extent of audit tests apply in our audit of Ind AS Standalone Financial Statements of the company for the year ended March 31st, 2021, and the said disclaimer has affected our opinion on the said Ind AS Standalone Financial Statements of the company for the year ended March 31st, 2021, and the said disclaimer has affected our opinion on the said Ind AS Standalone Financial Statements of the Company and we have issued a disclaimer of opinion on the Ind AS Standalone Financial Statements of the Company.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issues by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note: - 1. Corporate information

Jharkhand Urja Sancharan Nigam Limited (the company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged in transmission of electricity.

Note: - 2 SIGNIFICANT ACCOUNTING POLICIES OF JUSNL

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared on accrual basis of accounting under the historical cost convention, in accordance with generally accepted accounting principles in India, the relevant provisions of the Companies Act, 2013 (to the extent notified), the Companies Act, 1956 (to the extent applicable) including Accounting Standards notified there under and the provisions of the Electricity Act, 2003 to the extent applicable.

2. USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although, such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates and assumptions and such differences are recognized in the period in which the results are crystallized.

3. PROPERTY, PLANT AND EQUIPMENT

3.1 Property, plant and equipments are shown at historical cost comprising of purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

3.2 In the case of commissioned assets, deposit works/cost-plus contracts where final settlement of bills with contractors is yet to be affected; capitalization is done on provisional basis subject to necessary adjustments in the year of final settlement

3.3 Assets and systems common to more than one transmission system are capitalized on the basis of technical estimates/assessments.

3.4 Transmission system assets are considered 'Ready for intended use', for the purpose of capitalization, after test charging/successful commissioning of the systems/assets and on completion of stabilization period wherever technically required.

3.5 The cost of land includes provisional deposits, payments/liabilities towards compensation, rehabilitation and other expenses wherever possession of land is taken.

3.6 Expenditure on leveling, clearing and grading of land is capitalized as part of cost of the related buildings.

3.7 Capital expenditure on assets not owned by the company is reflected as a distinct item in capital work-in-progress till completion and thereafter in Fixed Assets.

Director (Finance),
J.U.S.N.L., Ranchi

Managing Director
J.U.S.N.L., Ranchi

3.8 Insurance spares, other than mentioned in 3.10 below, which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalized and depreciated over the residual useful life of the related plant & machinery.

3.9 Mandatory spares, other than mentioned in 3.10 below, in the nature of sub-station equipments /capital spares i.e. standby/service/rotational equipment and unit assemblies either procured along with the equipments or subsequently, are capitalized and depreciation is charged in accordance with the relevant accounting standard.

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment recognized as per books and use that carrying value as the deemed cost of the Property, Plant and Equipment at the date of transition.

4. **CAPITAL WORK IN PROGRESS (CWIP)**

Cost of material consumed, erection charges thereon along with other incidental expenses incurred for the projects, which is yet to be commissioned and put to use, are shown as CWIP.

5. **CURRENT AND NON-CURRENT CLASSIFICATION**

Assets and liabilities are classified as current if it is expected to realize within 12 months after the Balance Sheet date.

6. **DEPRECIATION / AMORTIZATION**

Depreciation on property, plant and equipment has been calculated as per the rate prescribed by the JSERC vide notification no. 33 & 34 dated 27/10/2010 and 35 dated 01/11/2010.

7. **BORROWING COSTS**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets related to turnkey project are capitalized on commissioning and put to use.

8. **INVESTMENTS**

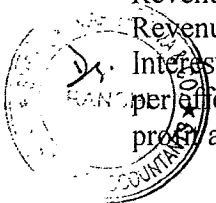

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

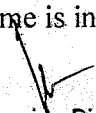

9. **INVENTORIES**

- I. Cost of Inventories includes cost of purchase price, Cost of Conversion and other cost incurred in bringing the inventories to their present location and condition.
- II. Inventories of stores, spare parts and loose tools are stated at the lower of cost or net reliable value.

10. **REVENUE RECOGNITION**

Revenue regarding transmission charges is considered to be recognized when the services are provided. Revenues from Supervision Services and Commission are recognized as and when services are rendered. Interest income is recognized on a time proportion basis taking into account the amount outstanding as per effective interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Director (Finance)
J.U.S.N.L., RANCHI

Managing Director
J.U.S.N.L., Ranchi

11. **LEASE – finance/operating income**

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the Balance Sheet based on their nature.

12. **EMPLOYEES' BENEFITS**

SHORT TERM EMPLOYEE BENEFITS:

Short Term employee benefits are recognized in the period during which the services have been rendered.

LONG TERM EMPLOYEE BENEFITS:

a) **Leave Encashment:**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured annually by actuaries as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

DEFINED CONTRIBUTION PLAN:

a) **Pension Contribution**

The employees who have opted for absorption / absorbed in the company, and the employees on deemed deputation from Government are eligible for pension, which is a defined contribution plan. The company makes monthly contribution at the applicable rates as per Government Pension Rules, 1972 and FR & SR, to the Government who administers the same.

b) **Employees' Provident Fund**

All directly recruited employees of the company are entitled to receive benefits under the Provident Fund. Both employees and employer make monthly contribution to the plan at a predetermined rate of employee's basic salary and dearness allowance.

These contributions to Provident fund are administered by the Provident Fund Commissioner. Employer's Contributions to Provident Fund are expensed in the Profit and Loss Account.

c) **Contribution for Group saving scheme (GSS)**

For all employees GSS contribution is provided and such contribution takes care of GSS.

DEFINED BENEFIT PLANS:

a) **Gratuity**

The company provides for gratuity, a defined benefit plan (the Gratuity Plan) covering all directly recruited eligible employees. In accordance with the payment of Gratuity Act, 1972, the Gratuity Plan provides a lump sum payment to vested employees on retirement, deaths, incapacitation or termination of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on balance sheet date and are expensed in the profit and loss account

b) **Other benefits including post employment medical care**

Medical reimbursements and other personal claim bills of retired employees are accounted for on actual basis in respect of bills received till the cut off period in the accounts at the concerned primary units as per the prescribed limits.

Director (Finance)
J.U.S.N.L., RANCHI

Managing Director
J.U.S.N.L., Ranchi

13. **PROVISIONS**

Provision are recognized for when the company has at present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

14. **CONTINGENT LIABILITIES**

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of the amount cannot be made.

15. **EARNING PER SHARE**

Earnings per Share ("EPS") comprise the Net Profit after tax (excluding extraordinary income net of tax). The number of shares used in computing Basic & Diluted EPS is the weighted average number of shares outstanding during the year.

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. **ALLOCATION OF COMMON EXPENSES**

Expenses of the project, common to operation and construction activities are allocated to revenue and incidental expenditure during construction in the proportion of transmission income.

17. **SEGMENT REPORTING**

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenue, segment expenses, segment asset and liabilities are identified on the basis of their relationship to the operating activities of the segment.

18. **CASH FLOW STATEMENT**

Cash Flow statement is prepared in accordance with the indirect method prescribed in the relevant Accounting Standard.

19. **INTER - COMPANY TRANSACTION**

After restructuring of JSEB, vide notification no. 18 dt. 06/01/2014, JUSNL comes into existence with separate legal entity.

Director (Finance)
J.U.S.N.L., RANCHI

Managing Director
J.U.S.N.L., Ranchi

JUSNL mainly provide power to JBVNL by transmission of electricity and raise bill for this transmission known as Transmission Charges. As such JBVNL is the main debtor for the said transmission charges.

20. **DETAILS OF RE-GROUPING**

All the advances such as TA, Pay, Festival, Motor cycle, Advance for other conveyance, House building, Medical, Marriage, Temporary , computer, etc. are merged under a single head 'Advance to Staff' and are shown in Note-20 (Other Current Assets) in the Annual Accounts of F.Y. 2020-21.

21. **FIXED DEPOSIT**

Fixed Deposit having maturity period upto three months is shown as cash and cash equivalent and more than three months & upto one year is shown under "Bank Balances other than Cash & Cash equivalents". Accordingly, accrued interest on Fixed Deposit is incorporated in current financial year.
